COMPANY PROFILE

INCEPTRA SOLUTIONS

We, **Inceptra Solutions**, are a crew of well-educated and highly experienced recruitment professionals with the most innovative approach and creative style of delivering results which will sync with your business. In a nutshell, we are what you want us to be, a trusted brand with industry expertise backed by experts and professionals having a constant support system drawing inspiration from the expert guidance.

OUR MISSION

We are committed to exceeding the needs and expectations of our customers, partners & stakeholders and constantly focusing on increasing customer satisfaction. We strive to offer excellence, professionalism, and a long-term commitment to remain among the premier staffing companies in Recruitment. Inceptra Solutions and its staff are respected for their dedication and contribution to the industry.

OUR VISION

We are a leading services provider of technology and business solutions and are growing day by day. Our work is being recognized and highly appreciated by our clients and we are working rigorously to achieve more and more. With the help of our super talented bunch of experts working with us, we aim to be the World's no.1 service providers while having the huge number of satisfied customers.

OUR TEAM OF PROFESSIONALS

Our team, as our imperative asset, works with great zeal to realize the mutual interests of our organization. Our team is made of professionals including professional trainers, managers, consultants, business development staff, quality auditor and other workforces. Each member in our team is selected on the basis of their domain knowledge in respective fields. To upgrade the expertise of our team we also conduct regular training exercises. It helps us to be paralleled with new changes occurring time after time in the market. Our team members are highly efficient and understand the needs of clients as precisely as possible.

BENEFITS OF ASSOCIATING WITH US

- To provide only the best talent, we follow an extensive screening process before presenting candidates:
- Inceptra Solutions recruiters perform an initial screening before adding candidates to our database and sending them on for further review.
- Trained from a functional and technical perspective, resource managers source, screen and interview candidates. Approved candidates are then forwarded to the Clients.
- The Account Manager then determines if the candidates would be a solid fit. Inceptra Solutions Practice Managers and subject matter experts conduct a final, detailed analysis to ensure the candidate meets the criteria of the client.
- Perform reference checks.
- Conduct background checks (credit, criminal, DMV, and more) as requested
- Handle all negotiations
- Monitor complete satisfaction
